| Lifestyle | Don't put your coat away just yet! (The snow melts around mid-April) | Sports day season! | | There are unexpectedly hot days too! In 2015 the hottest temperature in Aomori City was 36.5°C on the 5th of August | Can you hear the Nebuta music? Anyone can participate! | The lingering summer heat during the day is harsh and at night it suddenly cools down so look after your health! | Have you taken your winter clothes out of storage yet? | It's time to start using your heaters! | Start thinking about changing your tires and windscreen wipers soon. | Start preparing your snow removal equipment (we will introduce various types of snow removal tools on the other side) | Heaviest snowfall recorded in Aomori City. | Snow shoveling morning, noon and night is only to be expected~ |
| Temperature | 9.9°C | 15.1°C | 18.1°C | 22.8°C | 23.6°C | 19.4°C | 12.2°C | 8.4°C | 3.1°C | -0.2°C | 1.2°C | 4.6°C |
| Snowfall | 62cm | — | — | — | — | — | — | 5cm | 37cm | 133cm | 152cm | 128cm |
| Food | Scallops Aomori scallops from Mutsu Bay are meaty and full of nutrients! | Togekuri Crab | Wild Vegetable Picking Bamboo shoots, bracken shoots, Japanese spikenard, Japanese royal fern, Pilea hamaoi Makino etc. | Chirin-chirin Ice Cream Japan's biggest producer! | Black Currant Japan's biggest producer! | Chuka zaru (cold dipping noodles) In Aomori chuka zaru is just as popular as the nation-wide loved somen! | Mushroom picking | Sujiko Sujiko rice ball A staple main ingredient in Aomorians' rice balls! Without this, we cannot survive! | Sea cucumber In Aomori we feel so much affection towards them to the extent that we have sea cucumber character goods! | Warming winter food | Ke-no-shiru (vegetables, wild plants and miso soup) | Jappa jiru (cod and miso soup) |
| Specialty | Niboshi Ramen is Aomori's soul food. | | | | | | | | | | | |
